JOB DETECTIVE

LÆRERVEJLEDNING

FORBEREDELSE (5 min)

- › Print kortene på de næste sider og klip dem ud.
- › Gem de 20 kort rundt omkring i de 3 klasselokaler. Spred dem fordelt på lokalerne.
- › Gem dem steder hvor eleverne skal lede lidt – bag stole, under borde, på vindueskarme, bag døre, på opslagstavler.
- › Print ét arbejdsark pr. par.
- › Hav HTML-flipkortene åbne på smartboardet – eleverne kan tjekke deres svar her hvis de er i tvivl.

GENNEMFØRELSE (25-30 min)

- › Del eleverne i par. Giv hvert par et arbejdsark.
- › Gennemgå reglerne: Find kort, læs beskrivelse, skriv det ned ud for det rigtige job, skriv bogstavet i boksen.
- › Send parrene af sted – lad dem starte i forskellige lokaler for at undgå kø.
- › Fortæl dem at bogstaverne tilsammen staver en hemmelig besked – men kun hvis de matcher korrekt!

DEN HEMMELIGE BESKED

- › Svaret er: "YOUR FUTURE LOOKS GREAT"
- › Hvis et par får forkerte bogstaver, er det fordi de har matchet forkert – bed dem prøve igen.

DIFFERENTIERING

- › Stærke elever: Lad dem også oversætte beskrivelsen til dansk.
- › Svage elever: Brug HTML-flipkortene på smartboardet eller posteren med de 20 jobs som hjælp.
